A photograph of a sunset over the ocean. The sky is filled with large, billowing clouds illuminated from behind by the setting sun, creating a warm orange and yellow glow. In the foreground, the dark silhouette of a bird is captured in flight on the right side. Below it, two smaller birds are visible against the bright horizon. The ocean surface reflects the warm colors of the sky.

A photograph of a lush green forest scene. In the foreground, a stream flows from the left towards the right, its water reflecting the surrounding greenery. A small waterfall cascades down a rocky ledge on the right side. The banks of the stream are covered in dense green ferns, moss, and other forest plants. Sunlight filters through the canopy of trees in the background, creating dappled light and shadow.

A wide-angle photograph of a mountainous landscape during autumn. The foreground is filled with tall trees, many of which have turned vibrant shades of red, orange, and yellow. Above them, a dense forest covers the middle ground, with colors transitioning from green to fiery reds and oranges. In the background, the terrain rises into several mountain peaks, their slopes covered in a mix of evergreen and deciduous forests. The sky is overcast with heavy, grey clouds, and a thick layer of fog hangs low, obscuring the tops of the highest peaks.

*El monte, el árbol y
yo*

A photograph of a night scene. In the foreground, there are dark, leafless trees and some low-lying shrubs. A bright, glowing streetlight is positioned in the center-left, casting light onto the branches of the trees. In the background, there's a building with some lights on, and a car is parked near it. The sky is a dark orange or reddish hue, suggesting either a sunset or a light pollution effect.

*El perfume de la
noche*

A large school of small, silvery-blue fish swims in a dark blue ocean. In the foreground, the hull of a sunken ship is visible, its wooden planks and metal structures partially submerged. The water is slightly choppy, with some light reflecting off the surface.

*La luz sobre el
olvido*

A wide-angle photograph of a mountainous landscape during sunset. The sky is filled with soft, pastel-colored clouds in shades of blue, pink, and orange. Two prominent mountain peaks are visible in the background, their slopes covered in dense forests of coniferous trees. In the foreground, there's a rocky hillside with low-lying shrubs and small bushes. The lighting from the setting sun creates a warm glow on the peaks and the tops of the trees.

A wide-angle photograph of a landscape at sunset. The sky is filled with heavy, dark clouds that are illuminated from below by the setting sun, creating a fiery orange and red glow. In the foreground, a waterfall cascades down a rocky cliff face into a pool of water. The water is turbulent and white. In the background, there are rolling hills covered in green grass. On one of the hills, there is a small, isolated tree standing alone. The overall atmosphere is dramatic and powerful.

*La sangre de la

*Los espíritus del
cielo*

A photograph of a vast field of flowers. The foreground is dominated by tall, slender plants with small, vibrant blue flowers. Behind them, the field is filled with numerous bright red poppies, their petals creating a dense, textured carpet. The colors are rich and saturated, providing a strong visual contrast.

*Los
contrastes*

A landscape photograph capturing a stunning sunrise or sunset. The sky is filled with soft, warm colors of orange, yellow, and hints of blue and purple. The sun is positioned low on the horizon, casting a bright glow across the scene. In the foreground, there's a field of tall grass or crops, with a single, dark tree standing prominently on the right side. Beyond the field, several rolling hills or mountains are visible, their peaks partially obscured by the haze or mist created by the rising sun. The overall atmosphere is peaceful and serene, with the natural light creating a dramatic and beautiful effect.

The background of the image is a lush, dense rose bush. The roses are in various stages of bloom, from tight buds to fully open flowers. They are a rich, velvety purple color, with some lighter pinkish-purple hues on the outer petals. The leaves are dark green and serrated, providing a strong contrast to the flowers. The overall effect is one of natural beauty and abundance.
